

ALTRON MARITIME

PRIVATE LIMITED

Company Profile

Altron Maritime Private Limited activities span across Consolidation services, Air & Sea Forwarding, Project logistics, Chartering and Break bulk services and Supply Chain Management since 2018.

About Company

■ Integrated logistics service provider

Altron Maritime Private Limited has had a global presence through its well-established agent network and overseas counterparts globally since 2018.

At Altron Maritime Private Limited, we pride ourselves on being a leading customs clearance company, driven by our unwavering dedication to client satisfaction. Our team's expertise and commitment to understanding our client's unique needs and business objectives allow us to tailor our services to deliver optimal solutions for each client.

■ Our Vision

To become a global leader in the business and be known for pioneering solutions in logistics, worldwide.

■ Our Mission

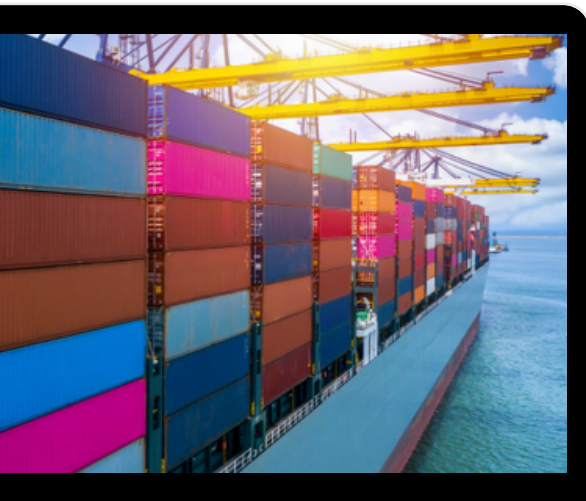

To demonstrate world-class expertise and customer centricity through our ingenuity and technology.

■ Custom Clearance

Altron Maritime Private Limited is your trusted partner for hassle-free customs clearance procedures.

We, provide Customs Clearance Services for all Export-Import shipments irrespective of its size, value, origin & destination. We have developed expertise in Cargo Customs Clearance & Forwarding at Nhava Sheva port (JNPT).

■ Freight Forwarding

With our wide network of partners, we provide freight forwarding services for all kinds of export-import shipments. Our wide network enables us to provide our customers with the benefit of selecting the best shipping service at very optimum freight charges. Whether by air, sea, or land, we ensure timely delivery and cost-effective solutions to meet your shipping requirements.

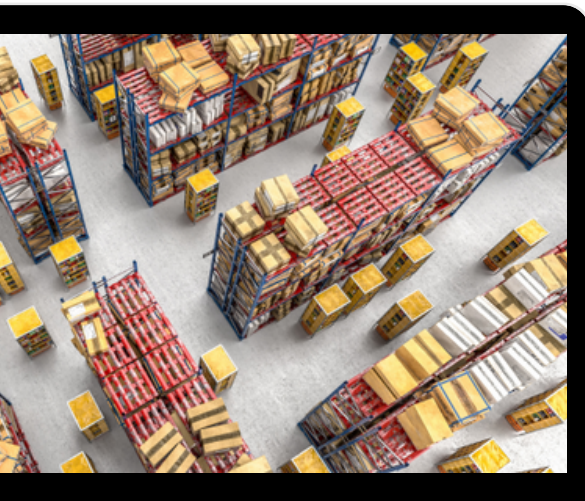

■ Transportation

From local transportation to nationwide distribution, our transportation services are tailored to meet your specific requirements.. With our network of support partners, we provide our customers with road transportation service within India for all types of export-import & domestic shipments. We ensure customers receive prompt & on-time delivery of cargo with superior quality in service.

■ Licensing Services

EPCG, Advance, and DFIA licensing services facilitate trade by offering businesses avenues for duty exemption and facilitation. These licenses streamline processes like issuance, registration (Bond/BG), and redemption certificates. They also handle bond and bank guarantee (BG) cancellation process. Additionally, services extend to cancellation processes, ensuring compliance and smooth operations for businesses.

■ DG Shipping

DG Shipping-related service includes assistance with application submission, documentation, and preparation for examinations. Companies offering DG Shipping-related services assist shipowners and maritime training institutes in ensuring compliance with the International Convention on Standards of Training, Certification and Watchkeeping for Seafarers (STCW).

■ ODC Transportation

Altron Maritime Private Limited offers Over Dimensional Consignment (ODC) cargo transportation services that specialize in the movement of goods that exceed standard size and weight limits. ODC cargo typically includes large, heavy, or bulky items that cannot be transported using standard shipping methods.
